

Young Artists at Centrum

Congratulations to Blue Heron Middle School

The final drumbeat, from the final presentation at the [2009 Blue Heron Middle School Explorations program](#).

The entire 7th grade of the Port Townsend public school district just spent a week working with an amazing group of artist faculty. The results were spectacular. Congratulations on a great week of art!

Let's Start Sharing

Hi everyone! We've just launched a new community site for young artists at Centrum.

Check out <http://centrumyouth.ning.com>.

If you've come to one of Centrum's Young Artist Project weeks at Fort Worden, please share your photos, videos, artwork, writing--you name it!

If you haven't been to Centrum yet, feel free to join in and ask questions!
